

*"Where knowledge meets solutions - and people !"*

### Who we are?

Evolved Solutions Limited ([www.finana-tutor.com](http://www.finana-tutor.com)) is a group of investment professionals specializing in providing 1-on-1 private tutoring session to individuals and corporate clients on the subject of Finance and Investment. Our tutors are located worldwide in major international financial centers such as New York, Hong Kong, Singapore, London and Geneva. We tailor our tutoring programs for examinations including CFA®, FRM® and CAIA®, Investment, Finance and Accounting courses in MBA, as well as providing corporate training in Finance on topics such as financial modeling and specific topics in Finance and Investment realm. Our aim is to understand the needs of our clients, structuring and personalizing our programs in ways that would help them achieve their goals.

### CFA program at Evolved Solutions– structure

The Evolved Solutions'™ CFA program has been developed to provide students with extensive tutorials to deepen their knowledge of each topic covered in the CFA exam.

#### How many hours should I take?

Length of Programme: A 50-hour program delivered in 24 weeks (additional revision sessions prior to exam will be provided upon request)

#### How are the courses organized?

One-on-one tutoring or in a small group (varies depending on locations)

#### Where do the lessons take place?

Any places of your choice - coffee shops, library, at home or in your office

#### When do the lessons take place?

It's all up to you - you may schedule your lessons on weekday or weekend. We are flexible.

#### How much does it cost?

We charge on an hourly basis.  
Discounts will be available for prepayment.

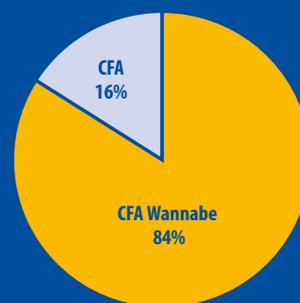

#### Are support materials provided?

Our tutors will provide materials and mock exams upon request.

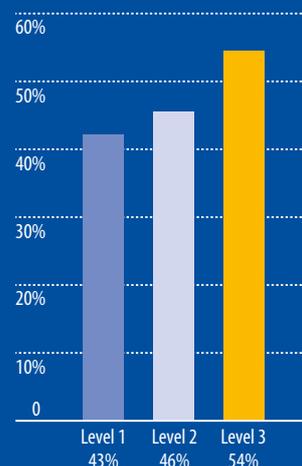

Enhance your career prospect in the investment industry by earning the CFA® designation. We are here to help you tackle all **THREE level of exams.**

Statistically speaking, after registering for a CFA program, you will have a 16% chance of becoming a CFA Charterholder. You heard it right - 16%!

### Beating the odds

### Passing rate in 2016

In Dec 2016, the average passing rates for the CFA exams are LESS THAN 50%. So if you are SERIOUS about passing the exams with LESS DOUBT and MORE CERTAINTY - **ACT NOW!**

## Why should you pick Evolved Solutions ([www.finana-tutor.com](http://www.finana-tutor.com))?

### Flexibility, flexibility, flexibility!

At Evolved Solutions, you can easily arrange the classes to fit your own schedule.

We understand that how busy work (or life) can be. Our programs are designed to help students with a hectic schedule to study more efficiently, enabling them to progress in their studies anytime and anywhere! Our tutors are able to start the sessions as early as 8 a.m. at the café close to your home, or as late as 9 p.m. in your office - or even at 2 p.m. on a Saturday!

### Customized 1-on-1 session!

You don't need to attend regular classes with dozens of CFA candidates and drill on the same set of standardized materials! Our experienced tutors can structure the lessons based on our needs, individually or in small groups. Whether it's a 3-hour last-minute cramming session before the exam, or a weekly session of private CFA tutorials starting 8 months before the exam, we'd love to work with you.

### Experienced tutors-highly accessible!

Our tutors located worldwide are all CFA Charterholders with solid experience in the finance and investment industry (including investment bank professionals and fund managers) and teaching practices.

Through the sessions, you can strengthen your understanding on the exam materials and test-taking skills while gaining real-world, applicable knowledge - our tutors are more than happy to share with you their experiences and skills in the industry.

We are also highly accessible! You are welcome to contact our tutors anytime by WhatsApp, email or phone call between lessons for any questions.

Do visit our website at <http://www.finana-tutor.com> or send us email at [info@finana-tutor.com](mailto:info@finana-tutor.com) for more information and get in touch with our representatives. We are here to help!

\* From 1963-2016 (June session), a total of 1,427,817 candidates have entered the Level I exam. A total of 207,233 candidates ultimately passed the Level III exam, representing a weighted average completion rate of 16%  
Note: Passing rate of 2016 CFA Examinations (Level 1: 43%; Level 2: 46%; Level 3: 54%)
